placed in service or use. A schedule is filed with each tax return on which the

credit is claimed.

Deadlines:

Application must be filed on or before the due date of the income tax return

for the year when qualified investment is first placed in service or use.

Description

An eligible small business Taxpayer is allowed a credit in the manner described above for the general Economic Opportunity Tax Credit, except that the small business must create at least 10 new WV jobs within 12 months, rather than 20 new jobs within 3 years. If the qualified small business creates at least 10 qualified new jobs, the small business may receive a credit equal to 10% of its qualified investment. Small business is defined as one having gross receipts of \$8,507,850 (for 2011). This number is adjusted for inflation each year. The Taxpayer can offset up to 100% of corporate net income tax "attributable to qualified investment" & up to 100% of business franchise tax "attributable to qualified investment" for a period of up to 13 years.
